Instructions are to SELL the apartment....

Are you wanting to live only meters from the beach without having the million dollar price tag, then this apartment is absolutely for you. This tightly held boutique apartment building consists of only 8 apartments and is a leisurely 50 meters walk to the beach, the very popular Northcliffe Surf Club and the Q:Link tram station you will be leaving the car at home. Freshly painted only days ago along with the installation of brand new carpet you will be able to simply unpack and enjoy this fantastic apartment. My instructions are very clear to have this property sold, so do not hesitate on this one. With prices expected to rise on the Gold Coast you will want to secure this excellent apartment immediately.
