10 The Links ROBINA QLD

5 3 5

This exquisitely crafted this striking architectural residence has been designed with an emphasis on sublime living, entertaining and functionality. Flawlessly designed and finished to superior standards, it features multiple living zones enhanced by a superb outdoor living space and golf course views.

An expansive entry opens to stunning a living room, an inviting space for both relaxation and entertaining. While a gourmet chef's kitchen with stone benchtops, breakfast bar and Blanco appliances services a spacious family dining area. Stacker doors from both the living and dining areas allow a seamless transition to the outdoor entertaining area which has custom cabinetry, louvered windows for privacy, a built in BBQ, wok station and fridge space as well as a fire place for cosy winter nights. All this overlooks the sparkling pool surrounded by timber decking with waterfall
