## 76 Nobby Parade MIAMI QLD

4 2 2

Every day will feel like a blissful tropical escape in this impeccable coastal oasis. Rebuilt to perfection, with all new frames, plumbing and electrical as well as a brand new extension, this single level home is now a showcase of light and bright living, with interiors that blend coastal Hamptons with touches of boho and romance. Trimmed with Herringbone hardwood timber flooring, its the expansive and open plan living, dining and kitchen zone that takes centre stage. Shining beneath a soaring 4.3m cathedral ceiling with full-height glass to enhance its spacious and sunny ambience, its the perfect place to gather around the island bench when prepping dinner in the designer kitchen, relaxing with the family in front of the TV or enjoying a meal by the feature stone wall.
