Unfortunately for our clients time has called to move on giving another owner a chance to secure an idyllic property in a fantastic location.

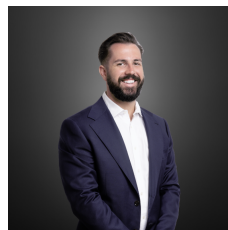

A regretful sale for our clients who have for many years enjoyed this fantastic home!

Situated off Hope Island Road, highly regarded Riverlinks is one of the only estates without body corporate fees in the area with several parks and an incredibly convenient location.

Open plan living incorporates a number of living spaces while encompassing a terrific view across the canal via a clever designed floorplan connecting you to the multiple living areas, kitchen, outdoor area and large bedrooms.
