Could this be for you?

Imagine enjoying your morning coffee, sitting out on the balcony and taking in the tranquility of the beautiful Gold Coast sunrise and calmness of the river metres in front of you. Being totally immersed by the array of pinks in the sky and not having to leave the comfort of your home to enjoy the views.

Stroll to Surfers Paradise and then enjoy winding down after a day at the beach, sitting on the balcony with a glass of wine admiring the gorgeous sunset becoming more vivid as it sets over the hinterland. Taking time to appreciate the 180 degree views from the Main River to the Hinterland.

Or perhaps you love to cook? Picture cooking each evening in your open plan kitchen, not having to go
