***Auction Postponed due to on-going negotiations prior to auction

6.524 acres* of rare prime development land at the gateway to The Gold Coast hinterland. The Riverina project adjacent to this estate is underway with huge potential for this land.

A Current DA for a series of medium density towers is in place with a strategic design to compliment the natural beauty of the adjoining river and surrounding landscape.

The potential exists to re-draft the DA as allotment sites for house and land dwellings and the private driveway into the estate allows for the possibility of a private gated community. Detailed plans and suggested allotment breakdowns are available upon request.

Land Size : 26401.7 sqm
