A functional floor plan allows families to utilise the space of a townhouse on the second floor with an open living area with a functional family kitchen with ample storage and bench space.

The second-floor balcony is perfect for entertaining friends with a perfect Broadwater backdrop.

The top-level features all the 3 bedrooms with the front two rooms having picturesque views across the Broadwater.

Being a stone throw from the walking track and sand the entire family will love it! Whether walking the dog or for a
