12/8 Dunlop Street MERMAID WATERS QLD

3  2  2 

This fantastic single level Townhouse situated on North/East facing wide waterway will blow you away. This renovation was clear when the owners carried out the work "we renovated to live in it not sell it". The high end tiles throughout, kitchen with Miele appliances and induction cooktop with amazing views as dolphins frequent the canal. This end unit in a complex of only 12 with is a beautiful creation from start to finish. This property commands attention and with no expense spared is a reluctant sale.

Price : \$ 770,000
