This is your chance to secure a stunning 18th-floor unit in the highly coveted and recently renovated Surfers Aquarius complex. You will be hard-pressed to find a complex of this calibre so conveniently located between the 2 mecca precincts of the glittering strip of Surfers Paradise and the sophisticated leisure hub of Broadbeach.

Perched high on the 18th floor is this neat and tidy 2 bedroom property with views that seem to continue on and on. Well proportioned, you will experience a wealth of space rarely seen in city units and the use of large picture windows throughout only emphasize the light-filled spaces within. The two bedrooms are well sized with the master with ensuite and walk in robe.
