Discover story-book enchantment and a world of tranquillity within a 7,415m2 allotment with this traditional low-set Victorian. Set back from the street and immersed in resort-style grounds, it evokes a feeling of warmth, comfort and of coming home. Spanning two light-filled levels and rich in charm, gleaming hardwood timber floors combine with ornate fretwork, high ceilings and terrazzo tiles, while casement windows and French doors offer a flawless connection with the glorious gardens. Space is plentiful, with multiple zones for relaxation and entertaining. A double sided fireplace links the formal lounge and dining zone with the kitchen, where rare, recycled timber cabinetry is paired with sleek granite benches and dual Smeg ovens.
