La Dolce Vita is what so many aspire to and at "Villa Casa", your taste of the good life awaits with this architectural icon. Unique and unrivalled in every aspect, discover 1096m² of brand new Luxe Mediterranean perfection that is simply without comparison. The award-winning custom creation of Tidal Constructions and Reece Keil Design, it's suspended across an elevated 4,497m² block and draped in spectacular 180-degree coastline views.

Showcased by an intriguing mix of clean lines and softening curves, its restrained palette fuses lime-rendered walls with romantic arches and rich chevron-pattern timber floors. A light, bright, textural triumph, it includes a gourmet kitchen with a showstopping half-moon island bench in white dolomite marble that flows into the sun-lit living zone. Relax here, in the games room or sun-soaked lounge room with gas fireplace, gazing across at the epic panoramas.
