

A wide-angle landscape photograph capturing a serene rural scene. In the immediate foreground, a lush, vibrant green grassy hill slopes gently downwards. To the right of the hill, a dense line of mature trees with dark green foliage forms a natural boundary. Beyond this treeline, the landscape opens up into a vast valley. The valley floor is a patchwork of green fields, some of which appear to be agricultural land. In the distance, rolling hills and mountains are visible under a bright blue sky filled with soft, white clouds. The lighting suggests a clear, sunny day, with the sun positioned low in the sky, casting a warm glow over the entire scene.

This is approximately 5 acres of picturesque land, made all the more private as it sits within your own 23.5 acre McLeans Ridges property! Yes that's correct, just over 23 acres zoned RU1 without the extensive mowing due to it's beautiful nature filled configuration.
