59 Saltwater Creek Road Wardell NSW

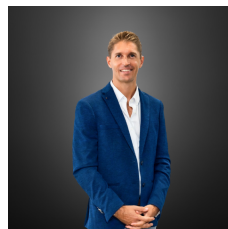

8 6 8

There are not many regions in the world that give life to a dream; where one's lifestyle is supported in every which way. A property that defines luxury acreage living and endless possibilities with a gorgeously built and renovated homestead, revitalised timber farmhouse, significant shed space and a 550 metre long grass light aircraft runway with accompanying aircraft hangar.

If it couldn't get any better, as far as small acreage amenity and proximity to the gorgeous seaside town that Ballina is, this property sits proudly above the banks of the Richmond River with mesmerising views. In fact, complete with its own jetty, the property enjoys 800 meters of pristine and tranquil river frontage.

The home was built in 2000 by builder John Eggins and it's clear that the construction is of great quality. In early 2024
